FIRST IN RESULTS TO ADVERTISERS

NUMBER 47

## Big Crowd Expected at Firemen's Public Dance Here Saturday Evening

Members of the Antioch Fire department completed plans in their meeting Tuesday evening for their public dance Saturday evening in the show rooms of the Ford garage.

There will be no admission charge but the dancers will be privileged to make purchases of refreshments and other articles. It will be one way in which citizens may have a good time and aid the department.

James McMillen, new fire chief, has announced his staff for the year as follows:

Edgar Simonsen, assistant chief; Clarence Shultis, re-appointed captain; Merrill Cunningham, Vern Barnstable, and L. R. Van Patten, re-appointed lieutenants; and Elmer Hunter, re-appointed chief engineer.

## High School Students Start Two-week Course At Conservation School

Fifty-one boys and girls, honor students especially chosen from high schools of half the counties of the state, started a two-weeks course in conservation Monday at the Illinois Conservation Department's training school at Lake Villa.

For two weeks these students will be the guests of the department, enjoying boating, bathing, fishing and other healthful outdoor sports in addition to attendance at mid-day and evening classes in which they receive visual and oral instruction in all phases of conservation of wildlife and natural resources.

A second course, for boys and girls chosen from high schools of the other 51 counties of the state will start July 11.

During these two periods the youngsters will be housed and fed in the imposing 25-room stone and brick mansion set high on an eminence overlooking Fox and Petite Lakes, with broad lawns sloping down to the water. The 27-acre estate is heavily wooded and provides splendid facilities for hikes and nature study.

Both courses are under the direct supervision of Director Livingston E. Osborne of the Conservation Department and Claude R. Graeff, supervisor of the Division of Education. Students will be chaperoned by Mrs. Mae Laughery, of Canton, Ill., the department's dean of women.

Each year high school students to attend the Conservation School are chosen from each of the state's 102 counties on the basis of scholarship and the writing of an essay of 200 words or less on "What is Conservation in Illinois?" Upon completion of their courses they return to their homes, act as conservation instructors in their communities and help in the organization of Junior Conservation Clubs in their counties.

Through their work great strides have been made in conservation of wildlife and natural resources throughout the state.

All expenses of the students, from the time they leave their homes until their return, are borne by the Department of Conservation.

## Funeral of Lieut. Scott Wednesday Afternoon

Last rites for Lt. Arthur F. Scott of Wilmet were read in services Wednesday afternoon at the Strang funeral home here. Burial was in the Wilmet cemetery.

The body was brought home from India where Lt. Scott died in action during World War II. The Semrau-Scott American Legion, post of Wilmet named after him officiated at the grave.

## Scouts Beat Dads In Ball Game Wed.

The fathers of the boy scouts went down in defeat to the tune of 16 to 5 in a baseball game played under the high school lights last night. Only a few of the fathers were present for the game, and perhaps this is the reason they were beaten, but the scout team members think that the story would have been the same, had the fathers had a full team.

V. F. W. To Hold Meeting A regular meeting of the Veterans of Foreign Wars auxiliary will be held Monday evening at the Guild hall. All members are requested to attend.

## St. Ignatius Honors World War II Veterans

Sunday, June 27, has been designated at St. Ignatius church as Service Sunday. The church on this Sunday has invited the Veterans of Foreign Wars, the American Legion and their Auxillary to come to church and take part in the service. The sermon subject for the Sunday will be "The Citizen and his Religion."

At this service special honor will be given to Allen Hanke, the only one from this parish called upon to lay down his life for his country. Mrs. Nellie Hanke will give the star from our service flag to those whose names they represent on our honor roll. The service will be as follows:

Processional "Soldiers of God"; Zaret; Hymn "The Star Spangled Banner"; opening sentences; general confession; absolution; Our Father; Versicles Psalm 46; 1st lesson Deuteronomy 28:1-14; Te Deum; 2nd lesson St. John 8:31-36; Benedictus; Apostles Creed; Salutation Suffrages; Collect for the day; Collects for Peace and Grace; Additional prayers; Grace; Announcements; Presentation of Gold Star Mother; Presentation of Star to Service personal by Gold Star Mother; Hymn "God of Our Fathers"; sermon "The Citizen and His Religion"; Offertory "America the Promised Land"; Hymn "Onward Christian Soldiers".

## Elizabeth Ross Dies At Home of Son, Adolph

Elizabeth Ross, 67, died at the home of her son, Adolph W. Ross, at Marine Grove, Petite Lake, Tuesday, June 22.

Survivors are her husband, Adolph O. Ross, of Chicago, a son and two grandchildren, Shirley and Ronald Ross.

Her son has made his home at Petite lake for the past two years. She had made many visits to the resort. Her body was taken to Chicago where funeral services will be held Friday at the Nielsen funeral home. Burial will be in Eden cemetery.

## High School Students Tour East by Train and Boat, See Congress Act

Eleven Antioch Township High school students returned home Friday from a tour through the east with New York and Washington the principal places of interest.

The group was a part of a crowd of 54 Illinois high school students making the tour under the supervision of Einar Anderson, history teacher at Park Ridge, Ill.

They left on their trip Sunday, June 13, going by rail to Albany, N. Y., where they embarked on an excursion steamer that took them on the Hudson river to New York City. There they saw the principal show places and then went by train through Philadelphia to Washington, D. C. There they witnessed both the senate and house in session.

The Antioch students who made the trip are Marilyn Ries, Anna-belle and Barbara Barthel, Betty Jean McDougall, Jackie Onstead, George Gossell, Logan Lundgren, Verna Kufalk, Joan Conrad, Dorothy Thompson, and Donna Lasco.

## Report Good Progress on Scout Bldg.

Good progress on construction of the new scout building has been made during the week, with all the window and door frames in place, and a start made on the log siding. It is expected that sufficient men will be on hand Saturday to complete the siding, since a number of those present at the "raising bee" two weeks ago indicated that they would be on hand when needed.

H. E. Cardiff has arranged for a lunch for those who work on this Saturday and all materials are on the grounds and ready.

Last week's story about the building failed to credit several who have given assistance on the project. Among them were the Antioch Milling company, who sprayed the grounds with insecticide free of charge, the Golden Glo Dairy which furnished milk and cream for the workers; Antioch 5 and 10c store for furnishing paper plates and cups, and Don Berkeiser and Louis Bell, both of whom worked on the building.

Contract for the heating installation has been let to John Dupre, of Lake County Sheet Metal Works. The heating plant will be a gas-fired Chrysler Air Temp furnace with zone control, that heating of any of the rooms may be controlled separately. Cost of the plant will be very low, as only the wholesale cost of materials will be charged, the labor being furnished free by Dupre.

Electrical outlets were installed during the week by Bob Wilton of Wilton Electrical shop. Here again the materials are being furnished at cost and no charge is being made for labor or installation.

Homer La Plant, who is in charge of building of the large fireplace, will make an inspection of stone available at the Fred Scott farm tonight. Scott has offered the stones free and will help to get them to the building. Scoutmaster H. E. Cardiff and his scouts will load the stones on trucks when they are selected. In this connection the committee has suggested that any farmers having suitable stones they wish to dispose of contact the committee members or LaPlant, in case a sufficient number is not available at the Scott farm.

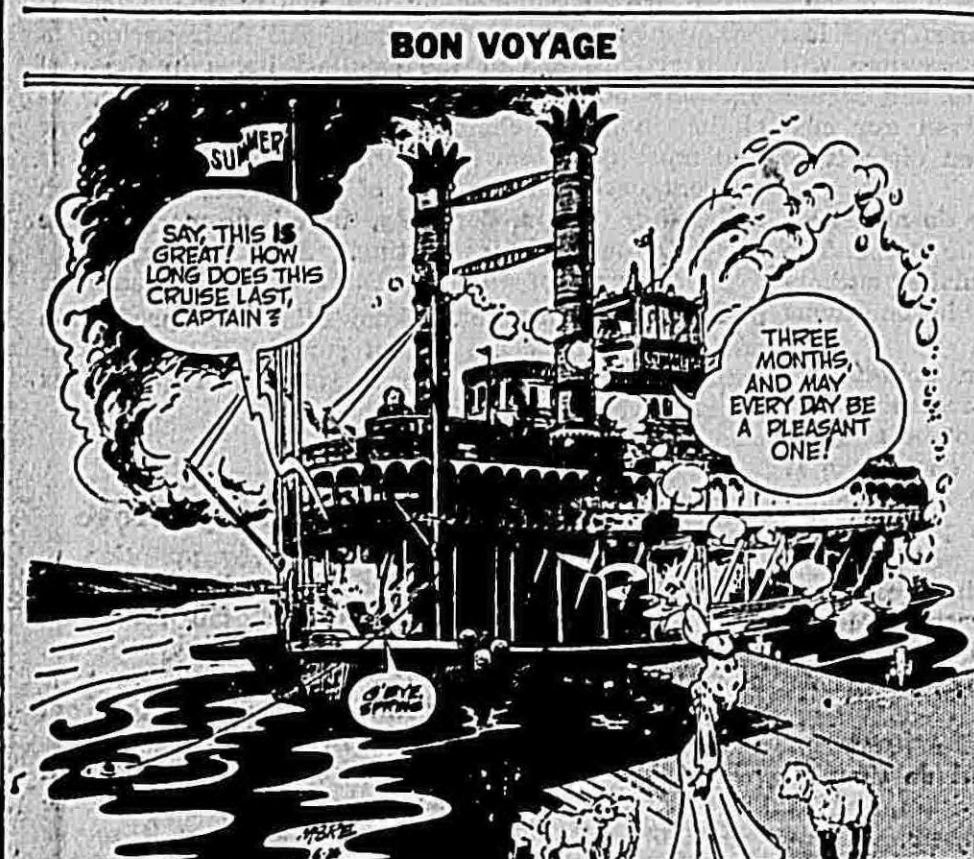

## Girl Thrown From Boat Suffers Sprained Ankle

Miss Sally Flint of Indian Point employed at the Nelson grill, suffered a sprained ankle Sunday when she and a girl companion fell from the prow of a speedboat at Channel lake.

The driver of the boat had to swerve sharply to keep from being struck by another boat and this threw the weight of the companion on Miss Flint's leg as it protruded over the side of the boat. Both were thrown into the water but were quickly picked up.

## Unusual Catches of Fish

Ralph Roberts of Channel Lake caught a 36-inch 11-pound northern pike Monday in Channel lake. Charles Miller of Antioch caught a 34-inch 8 1/2 pound northern pike in Lake Marie last week.

## Mrs. C. F. Richards, 72, Dies After Long Illness, Funeral Held Monday

Was Husband's Assistant in Business and Telephone Operator

Mrs. Charles F. Richards, 72, 1047 South Main street, died at 9 p. m. June 18, at her home following a lingering illness.

Mabel A. Richards was born in Antioch Township September 13, 1875, and lived there all but four years of her life.

She was married to Charles F. Richards March 23, 1898. They lived on a farm in Antioch township until 1907 when they moved to Antioch. She was associated with her husband in conducting a farm implement business from 1917 to 1941. She also assisted him with insurance business as well as town clerk work, being his deputy for the past thirty-five years.

Mrs. Richards was central operator for the old Antioch Telephone Company (Farmers Line) until it was discontinued several years ago. She and Mr. Richards celebrated their golden wedding anniversary this year.

Survivors include her husband, two daughters, Mrs. Edna Drum and Miss Daisy Richards, both of Antioch, one sister, Mrs. Florence Cook, Mundelein, and three grandchildren. A son, Ward and her parents William and Edna Watson preceded her in death.

The Rev. G. Richard Tuttle had charge of funeral services which were held from the Strang funeral home Monday, June 21. Interment was in Home Oak Cemetery.

## Laundry Truck Crashes Into Car and Through Window at Frostee Sno

A truck of the Sheridan laundry at Zion crashed through a plate glass window at the Frostee Sno plant at 12:45 p. m. Wednesday after first striking the car of the plant owner John Oftedahl a glancing blow.

The delivery truck had been parked at the hotel across the street, the driver Robert Katzmerek having left it in gear because of poor brakes. Somehow the car got into motion and rolled backward across the street and did not come to a stop until it had protruded into the office of the factory.

Mr. Oftedahl had just left the spot in the office where the truck broke through the glass and escaped certain injury.

Only slight damage was done to the Oftedahl car but the truck decidedly shows the effect of the crash.

## Twelve Scouts To Attend Summer Camp

Twelve members of troop 91, boy scouts will attend Camp Ma-Ka-Ja-Wan, Antigo, Wisconsin, beginning on July 12th. The boys are Ronald Arndt, Raymond Atwood, Thomas Atwood, Eugene Baethke, Harold E. Cardiff, David Deering, Dale Jones, Dennis D. Kennedy, James L. Osmond, LeRoy Schroeder, Ken Scribner, and Larry Thompson.

The boys will be taken to the camp by Scoutmaster Harold E. Cardiff and George Borovicka. Cardiff will spend a few days at the camp before returning.

## Water Carnival Sunday On River at McHenry to Attract Many from Here

Many from the Antioch area will go to McHenry Sunday in witnessing the big water carnival.

The Business Men's association of that city has extended its efforts in making the event the most outstanding of its kind in years. Co-operating with them in the staging of the speedboat races will be the Chain O' Lakes Boat club.

The program will start at 10 a. m. with a parade.

At 1 p. m. the water events will start and there will be sculling, rowing (8-man shell racing), and other types of hand powered racing. Between events there will be entertainment from high divers and water comedians.

The power boat races will start at 2:15 p. m. Both inboard and outboard craft will participate and the race will be the first real showing of the bigger speedboats this year.

The 35-man committee is seeing that there will never be a dull minute. Some of their own members will engage in canoe tilting.

The carnival will be viewed from four directions. Besides the sides of the river, the crowds may stand on the old bridge which will be completely cut off to traffic. State police also will halt traffic on the new bridge while an event is in progress.

In bringing the skulls and shells from Chicago to Fox river Sunday an express car will be needed to handle all of the equipment.

## Treasurer's Report Says Village Coffers Have More Than Last Year

The report of the village treasurer, Mrs. Martha Hunter, for the fiscal year shows a cash balance in the treasury on April 30 amounting to \$39,542.29.

While this is considerably more than the balance of \$8,300.17 most of difference is accounted for by the sale of \$20,000 worth of bonds to finance the municipal building, and the cashing of firemen's bonds.

The cash receipts were \$79,797.02 and the disbursements \$36,542.29.

One new and substantial source of income was from parking meters. A total of \$7,205.98 was collected. After the Duncan Meter Corp. was paid \$4,381.15 on the purchase of the meters, and \$448.06 for installation the maintenance and supervision which included part of the police salaries brought the disbursement from that fund up to \$6,622.40.

## VILLAGE WARNS OWNERS OF CARS

All owners of automobiles who live within the Village limits must purchase vehicle tags for their cars by July 1, or be liable to arrest, according to village president George B. Bartlett. Each car which does not carry the new license tag after July first will be ticketed.

## Many See Ford Exhibit

Nearly 5,000 persons visited the show room of the Ford garage last weekend in seeing the new Ford cars. W. A. Rosing, proprietor said. As the result 337 orders were received within the two days. One of the new cars was obtained by a bridegroom for his bride, making it a complete and happy surprise as a wedding gift.

Mrs. Walter Solomon spent several days in Chicago last week.

## 23 Prize Fish Caught In First 10 Days During Rodeo in Northern Area

Capture of 23 prize fish in the first ten days of the \$50,000 Illinois Fishing Rodeo in Northern Illinois waters alone furnished a pleasant surprise to both anglers and the State Department of Conservation, sponsor of the unique contest.

Six of the tagged fish were caught before June 15, official opening date of the rodeo, but the contestants have been awarded their prizes by order of Conservation Director Livingston E. Osborne. However, special trophies and additional awards will go only to those whose tagged fish were caught on or after June 15.

This ruling was made by Director Osborne in fairness to a few fishermen who were reported to have returned tagged fish to the water before the official opening date.

With the exception of a black bass caught in Pistakee Lake by Mrs. Martha Lynch of Fox Lake, three crappie, one rock bass and one bull-head, all prize fish reported were bluegills.

Following are the winners and their prizes so far reported:

Bluff Lake, Walter Popp, 6731 Ionia, Chicago, three lures from W. J. Jamison Co. and Fred Arbogast & Co.; Emil Dessort, 125 S. Menard Chicago, slab of bacon from Antioch Packing Co.; William Philip, Sr., 308 S. Mannheim rd., Bellwood, pipe from Lake Villa Pharmacy.

Cedar Lake, Peter Till, 3451 Southport ave., Chicago, pole-n-rod from Scot-Teag Co.; John Meltzer, 3740 N. Hermitage Ave., Chicago, case of Mobiloil from Scony Vacuum Oil Co.

Channel Lake, Jack Meyer, 7443 W. Fullton, Elmwood Park, Murr-made live bag from Murr Outdoor Products.

Crooked Lake, Thomas O'Garek, 925 Lincoln st., Waukegan, floating minnow bucket and \$5 cash from Bob's Bait Service, Waukegan.

Deep Lake, E. Lindquist, Waukegan, three casting lures.

Fox Lake, Roberta Bush, Hillside Ct., Fox Lake, \$5 cash from Fox Lake Country Club.

Grass Lake, Herman E. Welch, 55th and Prospect, Rt. 2, Hinsdale, Montague fly rod from Ed Smith's Resort; Joe Denton, 1810 Greenleaf, Evanston, motorboat gasoline can from Gibbs Variety Store, Antioch.

Long Lake, W. L. Kercher, 4743 Wrightwood, Chicago, pole-n-rod from Scot-Teag Co.

Lake Marie, Ray T. Helmkamp, 22nd st and Prospect Ave., North Chicago, Bendix table radio from Shunnesson's Channel Lake Boat House.

Nippersink Lake, Stanley Miller, Nippersink drive, Fox Lake, Montague casting rod from H & H Bait Store, Chicago.

Pistakee Lake, Mrs. Martha Lynch, Fox Lake, \$10 cash from Oak Park Hotel, Pistakee Bay.

Winners of the Gov. Dwight H. Green Trophy and other trophies and special awards will be announced when all returns are in the offices of the Department of Conservation, 160 N. LaSalle st., Chicago.

## McHenry Makes Bid For 1949 Midwest Amateur Rowing Assoc. Meeting

The McHenry Business Men's association is making a bid for the annual meeting of the Midwest Amateur Rowing association next year.

If successful an event which would claim the attention of the nation will be staged on Fox river past the city.

A promoter who has been interested in the regatta during the past is using his influence to make the change from a point in Michigan.

The races ranging from scull to 8-man rowing, two-man and single oarman, would take place over a period of several days and 30 teams probably would participate.

Fox river at McHenry has been surveyed and it is wide enough and has a straight enough course to handle the races.

## Venetian Village Sets Saturday for Election

L. C. Ross announced that an election of officers of the Venetian Village Civic association will be held at Johnson's Resort, Fourth lake, at 8 p. m. Saturday.

Three trustees will be chosen for a two-year term also, and other important business such as carnival arrangements are to be acted upon. Mr. Ross is retiring as president of the association and with Mrs. Ross resides on Bishop st., in Antioch.

Photo Courtesy Waukegan News Sun  
Shown above is Mrs. Wm. P. Tague of Argyle Farms, route 175, with unusual twin milking shorthorn calves. The calves are each solid colors, one red and one white, instead of the usual mottled red and white colors.

### Paying For A Strike

The house organ of a Tennessee Coal Company recently ran this little piece under the heading, Stray Thoughts: "The coal industry has just had a long, costly strike. The employees of our mines have lost several hundred thousand dollars. Our country will suffer in many directions from shortages and higher prices. We have, due to the strike, given our customers terrible service. We have earned distrust of us and our product as a fuel."

"Strange as it may sound . . . we do not know and never have known the reason for the strike. The operators paid the money and had no further authority. Nothing was gained except to show the enormous power of John L. Lewis."

There, in words that anyone can understand, is the plain, unvarnished truth. The fact that the strike is over for the time being must not be allowed to obscure the real issue that it raised. That issue is this: One man has a dictator's power over the economic life of the nation—over its defense program, its vital foreign aid policy, the welfare and prosperity of its people, the jobs of its workers, and the prestige of its government. That is not an exaggeration. Coal is the cornerstone of our economic system. Let its production be long enough prevented, and the whole machine must come to a stop.

The welfare of organized labor itself depends on ending this power. And if labor will not do that—if it continues to accept and applaud the excesses of its leaders—the people must act through their government. Senator Ball has suggested that industry-wide bargaining, whereby a whole industry may be shut down overnight at the whim of a labor czar, be outlawed. That may be the only solution.

### Don't Blame Profits

A short time ago a survey was made of the way families are attempting to meet current living costs. Heavy majorities reported that they were buying only necessities, doing without things, and trying to make food and clothing go farther. They also reported, generally speaking, that it was necessary to spend a higher proportion of their income for food.

This is the inevitable consequence of an infla-

tion which has not yet spent its course. Some groups have managed to increase their earnings sufficiently to offset price increases. Some have bettered their positions. Millions of people, on the other hand, have been forced to steadily reduce their purchasing, and there is no relief in sight.

It is easy and perhaps natural to blame business for creating this problem. From various quarters, we hear ominous talk of the size of industrial profits. Retail stores have been picketed by people with angry banners protesting the going prices of food, clothing and just about everything else. Natural or not, this attitude is based on serious misconceptions. For the truth is that the net profits of industry, the money which can be retained by the owners of the tools—millions of investors who have put their savings in industry—are one of the smallest items in the cost of doing business. And surveys of retail trade, including both the chains and the independents, show that most stores earn a profit of only one to five or six cents, according to type of goods sold, out of each dollar they take in. Certainly, there is no margin there that will permit price cutting.

Business of all kinds is as worried about high prices as any consumer. It knows that mass production and mass distribution cannot survive if people cannot afford to buy. Prices have gone up in spite of its efforts to hold them down.

### The Low Down From Hickory Grove

Today, folks, I am directing my attention to any of you who figure you are just a bystander and not much concerned about what some city far away, or the Govt., is doing there. Says which, says Henry. Like for instance, I say, if a feller lives in Iowa, or over in Rhode Island, or some place a long ways from Seattle, and where Seattle runs its own street cars as a municipal venture but is having trouble making both ends meet, he don't need to ho-hum or turn to the next page or snicker to himself and say it serves those Seattleites right, or shrug it off as none of his business or no mazuma out of his own jeans.

And here is how it works. Seattle's street cars once were run by a private outfit that paid city and county and state and federal taxes. When Seattle took over, Sambo got no more federal taxes—cities pay none of such. So to make up the loss, the Old Boy just tacks a little more on elsewhere—so if you live elsewhere like in Rhode Island, etc., you are IT.

So folks, cut out the ho-hum and the snickers—you are not just a bystander, you are helping pay for the Seattle fumididdles, also all the other didos of state, and county, and Govt., far away.

Yours with the low down,  
JO SERRA

### MILLBURN

Rev. L. H. Messersmith, who has been on vacation for three weeks will be back for the regular church services Sunday, June 27.

Daily Vacation Bible school will begin at Millburn church Monday morning, June 28, and continue for two weeks.

Miss Ruth Minto and Mrs. Bertha Newman left Thursday morning for Oberlin, Ohio, where they are attending the General Council of Congregational churches.

Mrs. W. F. Wetzel attended the meeting of the Advisory Council of Lake County Home Bureau at the home of Mrs. Homer Havermale, of Libertyville, June 14.

Mrs. Philip McDonald and son, Philip, of Rockford, were overnight guests at the A. B. McDonald home Tuesday.

Mrs. James Saunders and children Jamie and Dickie, returned by plane on Tuesday to their home in Cheyenne, Wyo., after a week's visit at the home of her sister-in-law, Mrs. George DeYoung.

Millburn unit of Home Bureau met at the home of Mrs. Ed Druce Hoffman with eighteen members and three guests present.

Mrs. O. L. Hollenbeck, Mrs. Myrtle Savage and Miss Josie Mann assisted Mrs. Hoffman with the dessert luncheon, in the absence of the co-hostess, Mrs. Wetzel, who was attending the funeral of her brother, at Honey Creek, Wis. Mrs. O. L. Raether gave the major lesson, "Illinois Health Laws as they pertain to Foods and Food Handlers." All enjoyed the skit put on by Ann Carney, Ruth Raether and Georgia Stephens of the Jolly Jills 4-H club, also Joseph Rush. This skit depicted the violations of Health rules often seen in stores and public eating places. Plans were made for the annual picnic to be held at Fox River Park Friday, July 16. Guests were Miss Mann, Mrs. Savage and Mrs. R. R. Flanders of Waukegan.

Members of the Mylo club met at the church Thursday evening with Mrs. Herbert Wilton and Mrs. Lloyd Miller as co-hostesses.

Mr. and Mrs. John Edwards and

### Care of Goldfish

When goldfish are sick be sure they are not overcrowded, overfed, given improper foods or that sick fish have been mixed with healthy ones. Perhaps the water needs changing or the aquarium needs more light. A pinch of salt, either epsom or table, will benefit all fish.

# MORE VALUE

...that's why  
**CHEVROLET**  
and ONLY Chevrolet  
**IS FIRST!**

More value—more motoring enjoyment for your money—day after day and year after year!

That's what you want, and that's exactly what you get in this smarter, smoother-riding, more dependable and more economical Chevrolet.

You get more value in its trim, tasteful, style-leading Body by Fisher; you get more value in its road-smoothing, road-leveling Unitized Knee-Action Ride; you get more value in the thrilling performance with economy of its World's champion Valve-in-Head engine and in the stopping-power of its Positive-Action Hydraulic Brakes—all exclusive to Chevrolet at lowest prices and with low cost of operation and upkeep!

Yes, CHEVROLET AND ONLY CHEVROLET IS FIRST in all-round value. That's why more people buy it and more people drive it than any other make. That's why you and your family will be wise to choose a Chevrolet, too!

## SPECIAL EXTRA-LOW PRESSURE TIRES on Wide-Rim 15-inch Wheels\*

(24-lb. pressure only—all around)

Chevrolet offers you the tire of tires for easy, restful riding. Remarkable new extra-low pressure tires that give a much safer, more comfortable ride; absorb road shocks instead of transmitting them to you and your car; provide safer stopping, greater blow-out protection, and long, more luxurious mileage. All due to larger tire-body, more air at lower pressure, advanced tire design.

\*Optional at small extra cost.

## FOOD DEPARTMENT STORES

**HICKORY**

Sunday dinner guests at the Max Irving home were Mrs. Dorothy Adams from Miami, Fla., Mrs. Violet Miller and daughter, Merianna, also Edward Anderson, of Downing and Phil Anderson of Lake Villa.

Sunday dinner guests at the Curtis Wells home were Dr. and Mrs. Miles Hulett, from Union Grove, Wis., and Miss Elizabeth and Raymond Webb of Antioch.

Mr. and Mrs. Bert Edwards and Mr. and Mrs. Ward Edwards and two sons, of Rockford, returned home Saturday evening from their trip to Charleston, W. Va. Master George Edwards of Charleston returned with them for a visit with his grandparents. Master Dick Edwards of Rockford is also visiting at the Bert Edwards home this week.

The Misses Sophie Georgi, Ellen Tenn and Natsuko Hori were dinner guests at the H. A. Tillotson home on Tuesday, June 22. The girls are all teachers from Nanakuli, Oahu, Territory of Hawaii and expect to tour the States and Canada by auto before returning to Hawaii. Miss Georgi is a Kenosha girl and was a former teacher of Pikeville school.

Miss Shirley Wells entertained 12 girl friends from her office at Abbotts to a 6:30 supper at her home on Thursday evening.

Mr. and Mrs. Wm. D. Thompson and Miss Helen called on the Chris Bock family of Gurnee Sunday afternoon.

Mr. and Mrs. Wm. Gerber and Mrs. Howe and children, of Kenosha, motored to Chicago Municipal Air Port Sunday evening where they met Rev. Howe, who returned from a business trip to California. Mrs. Gordon Wells attended the

funeral of her aunt in Des Plaines on Wednesday.

Jimmie Gerber and Johnnie Van Patten, of Antioch, spent three days of last week at the farm of their grand parents, Mr. and Mrs. Wilbur Hunter.

Mrs. Caroline Marble was a guest at the home of her brother and his wife, Mr. and Mrs. A. P. Wells of West St., Waukegan, over the weekend. A family reunion of 30 people was held at the Wells home on Sunday. Relatives came from Westerville, Ohio, DeKalb and Skokie, Ill.

Sunday afternoon callers at the H. A. Tillotson home were Mr. and Mrs. Malcolm Bishop and two daughters and Mrs. Bishop's parents, Mr. and Mrs. Denton, all from Kenosha.

The Antioch Home Bureau met at the home of Mrs. Curtis Wells on Wednesday of this week.

**High Cost of Living**

Cost to Germany of her second attempt at world domination was at least 3.5 million lives, of which the vast majority were men. In addition, another 2.7 million men remain prisoners of war employed in reconstructing devastated areas in the territory of their captors.

**How to keep a Champ  
in Trim!**

YES sir, there's a championship caliber all through that Buick of yours.

It's caliber that calls for mighty little "conditioning"—if the attention it gets adds up to really knowing and understanding care.

For instance, these Fireball cylinders will keep on packing all the wallop they should, if you let us compression-check them in the Buick way. Steering will stay easy and light, tire wear will stay at the minimum, if you keep your wheels lined up on our special tracking gauges.

Skilled service men—Buick to their finger tips—know how to bring out all the Fireball zip and go.

And when wear does take its incapable toll, we have the parts—Buick-engineered for their job—that restore factory-new standards of performance.

Even our tools are specially designed to do a typical Buick job—and for the personal, interested, specialized attention that tops off

genuine Buick care, you simply can't beat the Buick specialists in our shop.

Yes, give your champ real Buick care—Buick know-how, Buick parts, Buick interest in keeping your car at its peak. Costs no more than ordinary attentions—but what a whale of a difference it makes!

**Lubricare**

Matched-to-mileage  
maintenance for Buicks

★ Lubricare is specified for your Buick by the engineers who built the car—with the right kind and the right amount of lubricants carefully chosen for just one reason: they are best for your Buick.

★ Lubricare is matched to the mileage your Buick has traveled—including a

thorough inspection, a report of anything needing attention and a record of the service for future reference.

★ Lubricare adds thoughtful care to complete lubrication. For protection and smooth performance, your Buick deserves Lubricare regularly.

★ SEE YOUR BUICK DEALER EVERY

## Barthel-Lain Rites Are Solemnized In Gurnee Sunday

Miss Wanda Lain, daughter of Mr. and Mrs. William Webb, of Colfax, became the bride of Russell W. Barthel in recent rites at Gurnee Community church. The Rev. Wayne Selsor read the service with the bride's brother V. E. Lain of Bloomington giving her in marriage.

For her wedding gown Wanda chose white marquisette and lace and with it wore a silk illusion fingertip veil. She carried white rose buds.

Maid of honor was Miss Henriette Means. She wore a gown of yellow faille and marquisette. Bridesmaid was Miss Jean Davis, she wore a gown of orchid faille and they carried colonial bouquets. Ida May Britton, niece of the groom was flower girl, her gown was of white marquisette.

Best man for Mr. Barthel was James Harvey and ushers were Howard Strang and Tom Dixon.

The bride's mother chose a flowered sheer with cream gladioli corsage. Mrs. Jean Dixon sang "Because" and "The Lord's Prayer".

The reception following was held in the church parlors.

Mrs. Winfred Howard of Gurnee and Mrs. V. E. Lain of Bloomington assisted at the reception with Misses Clarita Greenlee and Donna Lain, nieces of the bride pouring.

The newlyweds are spending their wedding trip in Canada, they will be home at 809 Mossena Ave., Waukegan after July 1.

The bride is a graduate of Colfax high school, University of Illinois and of Illinois State Normal University, and is a member Delta Kappa Gamma sorority. Her husband is a graduate of the Antioch Township High school and is associated with his brother Carl Barthel in business.

Louis Mahar, of Youngstown, O., spent last week with his cousin, Mrs. Luster Badger and family. Mrs. Badger accompanied him to Youngstown Friday for a weeks visit with her aunt, Mrs. Ruth Mahar and other relatives.

## Twin Calves at Argyle Farm Have Distinct and Unusual Color Marking

An attraction at the Argyle Farm and Kennels, a mile east of the village on Rte. 173 are twin calves of a registered milking Shorthorn cow. One of the calves is pure white and the other a red, rather than a mixture of the two colors which is characteristic of the breed.

The marking is a reversion to original breeds so far as color is concerned because the original Shorthorn was a beef animal and through cross breeding it combined the features. The calves weighed 60 and 62 pounds two hours after birth.

The cow, Lucky Dorothy of Argyle, weighs 1,700 pounds. She will be seven years old July 30 and has given birth to six living calves. She has produced 36,168 pounds of milk and 1,404 pounds of butterfat and it appears that she will be even better as a producer this time.

Mrs. William P. Tague, the owner, recently sold four calves as 4-H projects to a resident of near Gages Lake.

The public is invited to see the calves and herd.

## Round Lake Will Stage Carnival and Tournament For Ball Park Benefit

Plans have now been formulated for the Round Lake Musical Tournament and Carnival to be given by the Round Lake Lion's Club on August 5, 6, 7, 8 at Lion's Field.

The carnival will be presented on every day and evening of the schedule, providing thrilling rides, games and entertainment for all.

The climax of the Lion's weekend will be on Sunday, Aug. 6th, when many drum and bugle corps will stage a gigantic parade and contest which everyone can witness. Each corps will be chosen for its ability and superiority. Consequently, the members of these massed corps will be the best available. The contest will be staged at Lion's Field, immediately following the parade on Sunday afternoon. It will be judged by officials of the National Drum and Bugle Corps association.

Entire proceeds of the Musical Tournament and Carnival will go to the support of the newly lighted soft ball park in Round Lake. The park has been built by the Lion's club for the furtherance of night baseball.

The eighth meeting of the 4-H Aces was held at 10:30 at the home of its leader Mrs. Harold White. During the morning period the girls sewed on their garments.

Nancy Sheehan called the meeting to order at 2 o'clock in the absence of the president Mary Curnes. Following the program the girls selected Betty Jean McDougall for county queen.

## W. C. Petty's Sister Married in Michigan

Mr. and Mrs. W. C. Petty have received an announcement of the marriage of Mr. Petty's sister, Mrs. Ruby Richey, of Marquette, Mich., to Ernest Erwin of Sumner, Ill.

The wedding took place Saturday June 12, at the Methodist church in Marquette. Mr. and Mrs. Erwin plan to travel during the summer months and will be at home in Sumner after Sept. 1.

The bride is a former resident of Antioch having spent 13 years here as home economics teacher at the Antioch Township High school.

## INTERMEDIATE MYF TO SIMONS PARK SUNDAY

The Intermediate MYF of the Methodist church will leave the church at 3 o'clock Sunday afternoon for Simons Park in Kenosha where the young people will spend the afternoon swimming and playing games. A sack lunch picnic will follow and the evening worship service will be held on the beach.

The service will consist of a devotional program and a Bible baseball contest between the boys and the girls. The entire program is being planned by Joline Gaston and Lauris Burdick. Lauris Burdick is arranging the transportation.

Last Sunday afternoon the young people met at the home of Mr. and Mrs. Deitrick on Loon Lake where they played water games and then held a campfire worship service.

## Sunday Service at Church

The choir of the Methodist church will sing its concluding number for the summer season at the worship service at 11 o'clock on Sunday morning. Each Sunday throughout the summer there will be special music arranged under the direction of Mr. Charles Watson, the choir director. Rev. G. Richard Tuttle will speak on the subject, "Lead Us Not Into Temptation". A nursery for small children is conducted each Sunday during the worship service to enable parents to attend church.

Plans for Church-wide Picnic Announced

An all-church Methodist picnic has been announced for July 13 at the Fox River State Park. The picnic will be in the afternoon for the Church School with games and contests followed by the Family Night pot-luck supper at the park in the evening. The concluding event of the day will be a softball game between the Boxholders and the RFD's in the church. George Good and Clarence Olson are making the arrangements for the ball game.

## REBEKAH LODGE TO SPONSOR BAKERY SALE

Members of the Rebekah Lodge of Antioch will sponsor a home bakery sale Saturday, June 26th at the Antioch Packing House Market beginning at 9 a. m.

...

Mr. and Mrs. Fred May, who were recently married are spending a few weeks in Denver, Colo., with friends. Mrs. May is the former Miss Marguerite Grice, daughter of Mrs. L. B. Grice of Antioch.

...

Mrs. Elizabeth Behler, of Woodstock, was a house guest of her sister, Mrs. H. B. Gaston for the weekend.

...

Card Of Thanks

We wish to thank our friends and neighbors for their acts of thoughtfulness during our recent bereavement.

The C. F. Richards family

Mr. and Mrs. J. E. Sheehan, above, celebrated their golden wedding anniversary Sunday, June 6th, at the home of their son-in-law and daughter, Mr. and Mrs. Everett McClure, Gurnee.

## SHORT STORY

## Make Mine Missus

By ERNIE RYDBERG

SLIM McDERMOTT dropped in at the post office before heading back to the cabin. There was a letter for him and the camp newspaper. The letter was from the main office.

"Mr. Francis W. McDermott, Silver Pine Camp."

"Dear Francis: Sorry to interrupt anything so important as a honeymoon—even a delayed honeymoon—with anything as trivial as business. However, the Santa Ruiz deal broke sooner than expected. Fred Lang is having to take his wife to a higher altitude. You have been appointed district manager for that area. Instead of reporting here Monday, please go directly there. Fred has arranged for you to take over their place. You're a lucky dog. It's a nice, two-bedroom house, furnished. Best regards,

TOM."

Slim grabbed the groceries and legged the trail to their cabin. District manager! Oh, man. How he could use that pay increase.

## 3-Minute Fiction

"Honey," he called, nearing the cabin, "where are you?"

"Got a letter from the boss," said Slim. "The Santa Ruiz deal's gone through."

"Really?" cried Bill. An instant later she was out on the porch. "Let's see!"

Slim handed it to her. When she reached the part about the house, her face shone.

"Oh, Darling, I'm so tickled."

"My big, sweet District Manager!" said Bill, softly. "A real house! Let's celebrate."

"Okeh," grinned Slim. "How about dinner at the Lodge?"

"Wonderful," said Bill. "I'll finish dressing."

Slim sat down in the rocker again; stretched out his legs. Life was pretty wonderful. He sat there thinking about his new job, then picked up the camp paper. His eyes caught a news item.

"Well, I'll be done-gone!" he growled.

"What is it?" called Bill.

"Oh, this darned newspaper," grumbled Slim. He read sarcastically. "After a two weeks stay in Silver Pines, Mr. and Mrs. Bill McDermott leave Sunday for San Francisco. Mr. and Mrs. BILL McDermott!"

Among those present were "the Bill McDermotts." Never "the Francis McDermotts." The man from the city directory had become very confused when he interviewed them.

In the directory, it said quite plainly, "William McDermott (Francis)."

Now she was back again on the porch. Slim stared at her in amazement.

She had on a pair of Slim's slacks. She'd folded up the pant legs and they bugged in wads at her ankles. His flannel shirt hung clear to her knees; his tennis sneakers stuck out like snowshoes. His big hat came down to her eyes.

Slim seethed. Things like that did something to a man.

"How do I look?" she asked, her face perfectly sober.

"What's the idea?"

"Don't fit so good, do they?" asked Bill, twisting around, lifting her shirt tail and tugging at the baggy seat.

Bill came over to Slim. She grinned at him, tweaked his nose, sat in his lap.

"This is going to be a new life for us. A new town. New friends."

Bill squirmed around on Slim's lap. She took an envelope from a pocket, handed it to him. He opened it with some difficulty. It was a legal document.

"What's this?" asked Slim.

"Read it," said Bill. "Read the last paragraph."

Slim read aloud.

"This court hereby stipulates that in the future Willa Weatherford McDermott will be legally known as Violet Willa Weatherford McDermott."

"Violet!" snorted Slim.

"It's not so bad, Slim," whispered Bill, "if you just say 'Vi'."

"Vi," ventured Slim carefully. He took her in his arms and kissed her. He paused once to whisper, "Vi, Darling."

Lynn Rider, daughter of Mr. and Mrs. Rider whose father is manager of the Argyle farm, is shown with two karakul lambs, a rarity in this area. The animal of Siberian origin is used for its pelt called Broadtail, Persian lamb, or Karakul, according to when the pelt is taken. The two lambs here are twins and as a pair cannot be made into pets as can a single lamb. The lambs have a curly black wool, and as they grow older the wool straightens and becomes grayish white.

### Fire At Green Lantern

The fire department made a run to the Green Lantern west of the village on Rte. 173 last Thursday afternoon but its services were not needed when a chimney fire gradually died out.

### True of All Snakes

Snakes cannot blink their eyes. They have no eyelids. Their eyes can absorb bright sunlight but are blinded by twilight.

### High Cost of Weeds

While United States farmers lose three billion dollars annually because of insects and plant diseases, the losses due to weeds run even higher.

### Precaution Against Lightning

A person who takes protection under a lone tree during a thunderstorm invites death by lightning stroke. Thick timber, however, is different. There a person may get under a tree in comparative safety, because it is no more conspicuous than its fellows, and hence not likely to be singled out for a stroke.

### Rapid Increase in Airports

When Lindbergh hopped the Atlantic in 1927 the country's airfields numbered only 1,000. Spurred by the federal aid of the national airport program, approved in May, 1946, airports increased more than 1,000 in 1947 alone. Texas and California, with more than 400 airfields each, lead the states, followed by Florida and New York.

The fair, although situated in Wisconsin, always attracts a big crowd from northern Illinois.

### Kenosha County Fair At Wilmot Aug. 13-15 Has Excellent Program

Wilmot is getting ready again for the annual Kenosha county fair which will be held there Aug. 13, 14 and 15.

Besides the many exhibits there will be excellent entertainment this year. The horse show which was a big hit last year will be repeated.

The free acts will include: Eugene and Gage, bouncing trampoline comiques; The Aerial Snyders, high pole acrobats; The Silver Cyclones, roller skating artists; Clark and Baily, hand balancing; The Rolos, balancing and juggling; and Dick and Pauline, horizontal bars.

The premium list is now being prepared and will be distributed soon.

The fair, although situated in Wisconsin, always attracts a big crowd from northern Illinois.

### Antioch 4-H Club Attends Health Day at Grayslake

The Antioch 4-H Acorns attended the Health Day program at Grayslake Friday in which representatives of the University of Illinois conducted physical fitness tests and gave instruction in the care of health.

Twenty-two members of the club were present at the last meeting at the Antioch grade school. Mrs. Henry Rentner and Mrs. Wolfenbarger, the leaders, gave the lesson. Maira Nelson entertained with her accordion.

The next meeting will be an all-day affair at the grade school.

### COW OF RAVENSCROFT HERD SHOW HIGH MILK RECORD

A registered Holstein-Friesian cow in the dairy herd owned by E. H. Ravenscroft, has recently completed a 365-day production record in Advanced Registry test of 605 pounds of butterfat and 15,283 pounds of milk. The Holstein-Friesian Association of America announces.

Her official name is Ravenglen Senatora Leila. She was milked 3 times daily and was 4 years 6 months of age when she began her test period.

Testing was supervised by University of Illinois in cooperation with The Holstein-Friesian Association of America.

### Re-Seeding Bluegrass Lawns

Re-seeding of established bluegrass lawns is usually a waste of seed and effort. Even a thin stand of old bluegrass plants keeps young grass seedlings from living. If the grass is thin the mower should be set to cut high. Re-seeding is needed only in large bare spots or where it has been injured by a heavy growth of crabgrass.

### Ice Boxes to Warm Milk

Ice boxes are not always used to keep milk cold. Admiral Byrd took two ice boxes with him to the South Pole to keep his milk warm. Otherwise the cold would have frozen it.

### MILLBURN

Mr. and Mrs. Leslie Bonner attended the commencement exercises of their daughter, Beryl, at the University of Illinois Sunday at 3 o'clock, and were over night guests at the home of their daughter, Mrs. H. B. Petty.

Mr. and Mrs. W. C. Upton spent Sunday with Mr. and Mrs. F. C. Semrow in Milwaukee.

Mr. and Mrs. H. M. Johaningsmeier, of Plainfield, were weekend guests at the home of the latter's parents, Mr. and Mrs. D. H. Minto.

A picnic dinner was served on the J. S. Denman lawn Sunday for 55 Denman relatives from San Diego, Calif., Kansas City, Mo., Iowa City, Iowa, Chicago, Evanston, Wilmotte, Skokie, Waukegan, Zion, Grayslake, Antioch, Mundelein and Lake Villa.

Mr. and Mrs. O. L. Hollenbeck, Mrs. Myrtle Savage, Mort Savage and Mr. and Mrs. J. S. Denman attended funeral services for Mrs. Charles F. Richards at Antioch Monday afternoon.

Mr. and Mrs. Don Minto and son, of Providence, R. I., who have been at the Minto home for ten days, left Monday morning accompanied by the former's mother, Mrs. D. H. Minto to visit the Walter Hines family in Lansing, Mich., for a few days.

Miss Margaret Gilbert, of Waukegan, was a weekend guest at the Horace Culver home.

#### High Energy in Milk

Four glasses of milk are equal in energy value to approximately any one of the following foods: 1 pound lean beef, 9 eggs, 6 pounds spinach, 13 small oranges, three broilers, seven bananas, 5 pounds of raw cabbage.

#### Save the Flakiness

There's a trick to re-rolling or storing pastry that can mean the difference between flaky pastry and that which is not. Instead of wadding the pastry scraps up into a ball before storing or rolling, stack them neatly, piece on piece. In this way the flaky structure is preserved rather than destroyed.

## LAKE VILLA

The Woman's Society of Christian Service will not have a business meeting until after the annual sale to be held on Wednesday, July 7, at the school gym, beginning with a luncheon at 12:30 followed by card party with plenty of prizes during the afternoon, white elephant sale opens at noon, also sale of fancywork, rugs, aprons, infants' wear and cards to make your selection. Plan to be there.

Rev. Dwight Dixon will attend some of the conference sessions of the Rock River Conference being held at St. James church in Chicago this week. Miss Pat Kelleher will attend on Saturday which is Youth Day, as a representative of the MYF.

On Sunday evening the MYF met at the church and had as guests the Pastor of the Libertyville church and a group of MYF, some of whom had attended the big convocation of MYF in Cleveland a few months ago, when 10,000 young people took part. Rev. Walter Mac Arthur, a former pastor here, also attended in charge of a group of MYF from Oregon, where he now lives.

On next Sunday evening the MYF will join similar groups from this jurisdiction in a moonlight cruise from Chicago on Lake Michigan, sponsored by the Church Federation of greater Chicago.

Mr. and Mrs. Arthur Nauta, of Waukegan, were guests of their daughter, Mrs. Lester Hamlin, and family last Sunday afternoon.

The Cosmopolitan Summer Theatre is putting the finishing touches to the comedy "Yes and No" to be presented July 2nd and 3rd at the Lake Villa gym.

Bookings have been made for Wauconda, Lake Forest, Libertyville and Chicago.

Members of the cast are Dave Schrum, Cal Midgley, Carl Geng, Jack Mahoney, Elsie Heuer, Joanne Midgley, Elaine Geng and Lorraine Bock. Tickets will be on sale at the Lake Villa Drug store.

Mr. and Mrs. Harry Nelson of 2nd Ave., at Deep Lake, celebrated their golden wedding anniversary at their home on Sunday, June 13, by keeping open house. Three of the original wedding party were present to help celebrate, they were, Etta Williams, who was bridesmaid, Emil Anderson, who was best man,

also Mr. Hansen's brother, Louis, all of Chicago, where the marriage took place. The Hansens have one daughter, Alice Ortt, who, with her husband, Lawrence, and their six children were present. More than a hundred people came from near and far to congratulate the happy couple. Colored movies were taken and the event further chronicled by a wire recording in which all guests participated. Both are in good health and they agreed that it was one of the happiest days of their life. A splendid couple whose life has been well spent and could well serve as an inspiration to our young people today.

Mr. and Mrs. Robert P. Smith, of Eureka, Ill., were guests of Mrs. Smith's grandmother, Mrs. Mabel Holst at Buena Park, all last week following their graduation from Eureka college a few days earlier and which Mrs. Holst attended.

Mr. and Mrs. Lloyd Atwell are building a new home on the Arthur Atwell farm at Monaville adjoining the home of his parents.

Cecille Blumenschein and her aunt, Mabel Baker, of Evanston, drove to Rockford last Saturday and spent the day with the Roscoe Baker family.

Clarence Blumenschein, who has been a patient at Victory Memorial hospital for three or four weeks was able to return home last Sunday afternoon and is able to be about the house.

Misses Laura and June Mortinson came this week from New York to spend the summer with their grandparents, Mr. and Mrs. Carston Weiss on Rt. 21 in Venetian Village.

Mr. and Mrs. Harry Sorenson and daughter of Ironwood, Mich., are visiting his mother, Mrs. Emma Sorenson, his brother, Howard and family and sister, Mrs. Clare Sherwood and family and other relatives.

Mrs. Dan Boyer, Mrs. Elizabeth Griffith, Mrs. Mabel Holst, Mrs. Stella Pedersen and Mrs. Helen Weber attended a luncheon and meeting at the Agard Rest Home at Lake Bluff last Friday as representatives of the W. S. C. S.

David Schrum, Scoutmaster, and his group of boys returned home last Thursday afternoon from a fine auto trip south. They visited 11 states, seeing many interesting places as well as travelling in the Smoky Mountains, cooking their

own meals and sleeping in their tents.

Mrs. Marie Hamlin entertained Mrs. Georgia Avery, Mrs. Helen Avery, Mrs. Stella Pedersen, Mrs. Little Boehm, Mrs. Lulu Nelson and Mrs. Cora Hamlin at a luncheon at her home last Thursday. Mrs. Ethel Wood, of Allendale came in for the afternoon.

Mrs. Martha Madsen returned home last Friday from a very pleasant bus trip to Portland, Ore., where she visited her sister for the past three weeks.

Mrs. Harriet Ballinger left from Fox Lake and Chicago last Sunday on the start of a month's vacation from her duties at Great Lakes Naval station. She left on the Santa Fe railroad for So. California and other points on the Pacific Coast and will visit friends.

William Marks left Chicago Saturday evening with the Illinois delegation to attend the Republican National convention at Philadelphia.

You'll sleep this summer...

in a *Night Cooled* home!

Yes, it's true! You can get those eight hours of sound sleep every night this summer... in spite of the heat. A night cooling fan in your house or apartment insures sleeping comfort all summer long. The stifling, heated air in your home is removed... and replaced by cool, night air from outdoors. In a night cooled home, you never lie awake for hours wishing for just "a breath of air."

The temperature of your house or apartment is lowered as the refreshing air from outside is circulated through the rooms. You feel cooler immediately... the moving air has

## How a Night Cooling Fan Works

An attic or window fan in your house or apartment lowers the inside temperature by pulling in cool night air, circulating it through the living quarters and forcing out the blanket of hot, dead air. This moving air speeds the evaporation of skin moisture — thus, you feel cooler immediately!

the same effect as a gentle breeze.

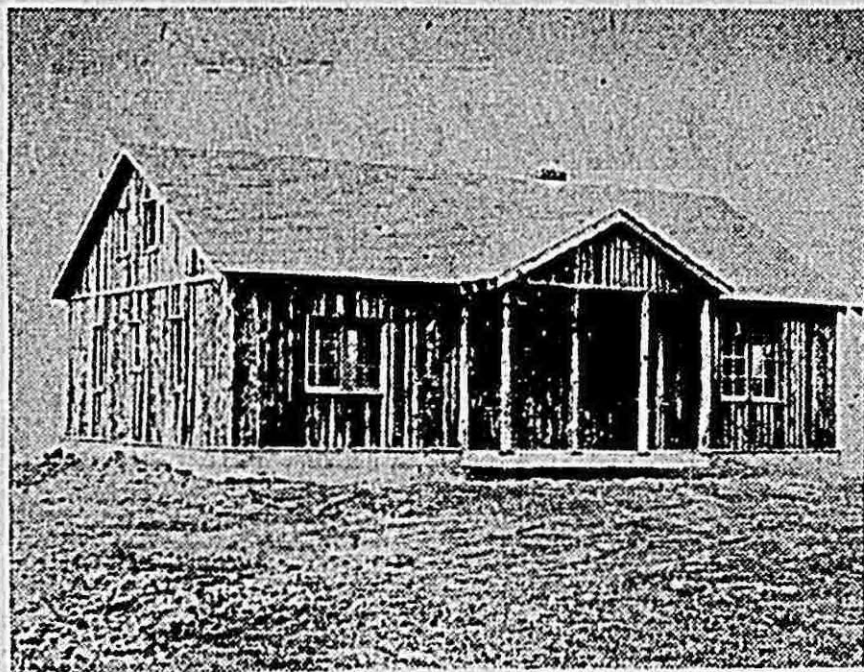

Try this simple test and prove to yourself how air in motion cools. Just dampen the back of your hand and then blow on it gently. See what we mean? That cooling sensation is the result of moisture being evaporated by moving air.

Be sure of healthful, relaxing sleep every night... install a night cooling fan now!

## Chain O' Lakes Structural Home Builders are Pleased to Announce Their Appointment as Dealers for the SACO SHOP ASSEMBLED HOMES

24x36 Manor

**24x36 MANOR** \$2989.82  
This large ranch style home has a living room 12x24 extending the full width of the house through the center. This gives a pleasant view from the rear as well as from the front of the house. The roomy kitchen and dining room form a unit at one end of the house, and two cross ventilated bedrooms and the bath a unit at the other end.

**24x30 Hiawatha** \$2469.29  
One of the most popular models of the Saco Rustic Homes well planned and proportioned. Has three bedrooms with a basement or two bedrooms and a utility room without a basement.

**20x30 Roger** \$2214.72  
The large living room with a view in three directions is the outstanding feature of the "Roger".

**20x24 Squire** \$1829.28  
An unusual value to those desiring a two bedroom home.

If desired, a porch can be added to the Squire, Roger or Hiawatha.

## Log Homes Conventional Homes Log Cabins

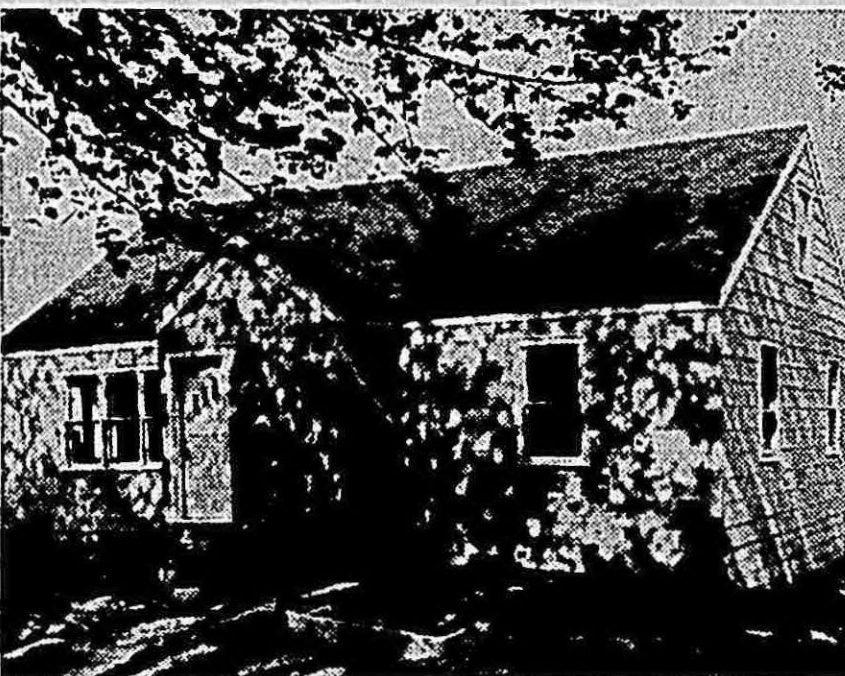

For those that want a Cabin "In the Land of the Ozarks"  
See Our St. Louis Office

Missouri Structural Products Co.  
2234 Big Bend Blvd.  
Richmond Heights, 17, Missouri

Each log and spline of all Saco Half-Log Homes and Saco Half-Log Cabins are individually dipped in a sealer solution which preserves the material against rot, fungus growth, and expansion and contraction. This is not a finished coat however, and a further treatment should be applied as soon as the building is erected.

When you purchase a Saco Sectional Home, in either the Conventional or Half-Log style, you will purchase a building that has been the result of careful and competent engineering. The latest methods of construction are used in completing all panels in the Saco Manufacturing Co.'s plant. All of the efforts of Saco engineers have been concentrated on giving you a home of the highest quality. One that is unusually strong, weather tight, attractive in appearance, and easy and simple to erect.

Prices quoted below cover all material for the Exterior, Interior, Roof, Floor, including doors, windows, and shingles as per bill of materials available to you. All materials delivered direct from plant to your building site by truck at a very low cost. Erection charges are additional.

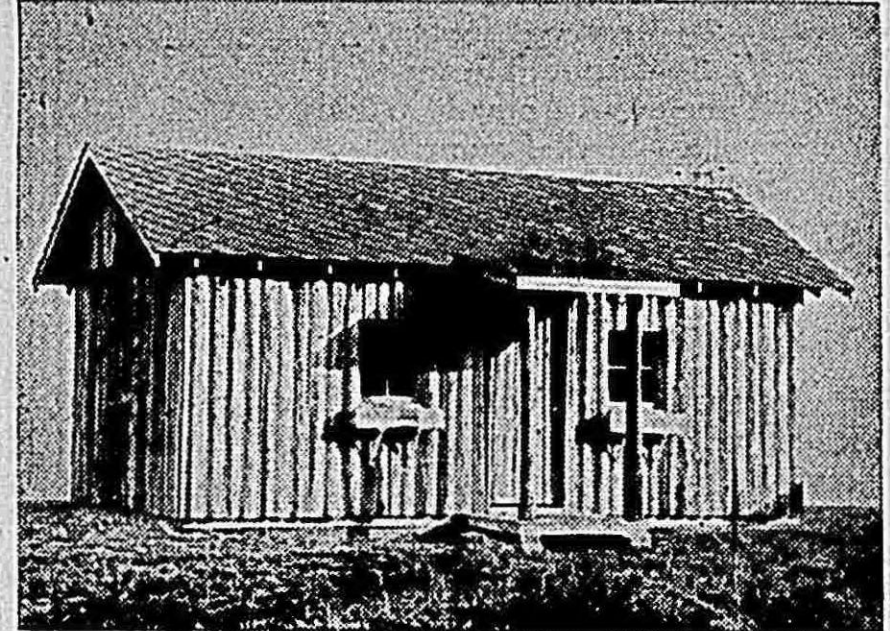

26x40 AMBASSADOR

**26x40 Ambassador** \$3644.52  
The "Ambassador" is a home that fits into the higher price bracket of homes but due to Saco panel construction and pre-cut materials, the finished cost will be surprisingly low. The "Ambassador" has large spacious rooms with three bedrooms, a living room 24x14, and large closets. This model offers a home that fits perfectly in the highly restricted subdivision. It is so designed that a breezeway and garage can be attached if desired. This gives a front measurement of around 70 feet.

**24x36 Brentwood** \$2929.29  
Another one of the Larger Saco Models. It is an excellent combination of comfortable well planned living quarters, pleasing outside appearance and sturdy, economical Saco construction. When this home is erected on a basement foundation, a third bedroom or dining room can be added in place of the utility room. It is possible to develop sleeping rooms on the second floor by the addition of dormers in the roof and the installation of a stairway.

**24x30 Norwood** \$2633.17  
This is a smaller type of Saco Shop Assembled Homes with all the features of the larger models. The "Norwood" is so developed as to permit proper furniture arrangement in pleasant well ventilated rooms. It is also possible to develop sleeping rooms on the second floor of this building.

**20x24 Veteran** \$1893.39  
This is a quality home which embodies good appearance with sturdy construction. This house is exceptionally outstanding in dollar value and is just the home for the family that wants a low cost conventional type home for a summer home or an all year round home.

12x20 Northerner  
12x12 Cozy \$499.02  
12x20 Northerner \$690.12  
12x24 Duplex \$876.64

Saco Cabins are now furnished in the same general construction as the larger homes. The doors and windows are factory assembled in panels, in the same manner as the regular homes. Wood floors and materials for ceilings are furnished with each model if desired. Accessories, such as flower boxes and porches can be furnished. These buildings offer a solution to the problem of those who desire an attractive appearing, low cost, quickly erected building for Guest Houses, Tourist Lodges, Hunting Lodges, Small Cottages, Roadside Stands, Utility Buildings, Real Estate and Field Offices.

**20x24 Resorter** \$1847.39  
The "Resorter" is a new model designed for those desiring an economically priced summer home with all the charm of rustic construction.

The living room ceiling is open to the roof, giving a distinctive "lodge" effect. The extended railing on the balcony and the stairway to the balcony present an extremely attractive appearance.

A kitchen unit and snack bar are included with the "Resorter". The arrangement of this unit leaves a large area for living and dining space.

The large new style picture window and attractive porches make this Saco Half Log Home a place of beauty and charm.

When "Saco" homes are completed, there are no indications of shop panel construction, and from the standpoint of strength, comfort and construction, the homes are superior to those produced in the regular manner.

Saco type of construction is made in accordance with the Federal Housing regulation, making these homes acceptable for federal loan purposes, as well as meeting the building codes of communities in which they are erected.

## Hog Cholera

Hog cholera still is regarded as the nation's top swine-killer. It is recommended that every pig be vaccinated around weaning time, as there is no cure for cholera. The only sure protection lies in vaccination before an outbreak strikes.

## Use of Vacuum Tubes

Vacuum tubes, familiar in radio and television sets, are of vital importance in modern telephone systems and in airplane navigation. Their wartime application was extensive. Now the tubes are being used increasingly in machine tool production and electric power transmission.

## Arizona's Monuments

Arizona has within its boundaries more national monuments than any state in the Union. These National monuments are: Pipe Springs, Navajo, Grand Canyon, Canyon de Chelly, Wupatki, Sunset Crater, Tuzigoot Ruins, Walnut Canyon, Petrified Forest, Montezuma Castle, Tonto Cliff Dwellings, Casa Grande Ruins, Organ Pipe Cactus, Tumacacori Mission, Saguaro Cactus and Chiricahua, the Wonderland of Rocks.

### WANTED

**WANTED**—Handy man for house moving \$1.50 per hr. T. M. Palaske. Tel. 424. (47c)

**Virgin Islands**  
The United States took formal possession of the Virgin Islands. St. Thomas, St. Croix and St. John, the former Danish West Indies, on March 28, 1917.

**Idaho's Lakes**  
Scattered throughout Idaho from Bear Lake, in the extreme southeastern corner, to Priest lake in the north, are more than 1,400 bodies of water from the size of a pool to lakes on which steamers navigate.

**Freight Locomotives**  
Due to improvements which have been made in construction, the average road freight locomotive now uses approximately 113 pounds of fuel to perform 1,000 gross ton-miles of service, compared with 140 pounds in 1925.

**For Sleepy People**  
Experiments are being conducted looking toward development of an electronic awaker. The goal is a pocket-borne apparatus that could be connected with the body of a truck driver, airplane pilot, railroad engineer or night watchman to give warning when he approached the danger point of dozing.

**"Cover the Canary"**  
Canaries should not be disturbed at night. After sunset it is advisable to remove the bird from a lighted room or to put a cover over the cage. An illuminated room keeps a bird awake longer than necessary, and causes loss of energy.

**Remedy for Malaria**  
Malaria is caused by the anopheles mosquito. The Allies discovered a secret German chemical during the North African campaign, effective against malaria. It is called "Aralen," and, unlike atabrine (widely used in the war) it does not yellow the skin, and yet it controls malarial attacks more quickly than either atabrine or quinine. A year's supply of Aralen for one person would cost about \$3.

**Douglas Fir**  
At the age of 80 years, the average fully-stocked acre of Douglas fir will cruise about 35,000 board feet of logs, as they are measured in the woods. The mills would actually manufacture 50,000 feet or so of lumber from these logs. In addition, there are 80 or 90 cords of wood of sizes suitable for pulp or fuel.

### Rid Your Cattle of BANGS DISEASE

with MU-U

**Helpless Giraffe**  
How the giraffe survives in the jungle is a mystery, because he is awkward, shy and virtually helpless against powerful and swift predatory animals. His only protection derives from his dappled appearance, and an acute sense of hearing.
